

**July 31st, 2024**

**Technical Service Bulletin – 12**

**Trunk Release Handle Label**

Issue: The trunk release handle is unlabeled and may be hard to identify.

Action: Install label per photos below. An additional handle cover can also be used.

**A label will be provided:**

**Label**

- Install 'TRUNK' label on roll bar beneath handle as shown.

## Handle Cover - optional

- Install handle cover on trunk release handle.
